Thank you for applying! We look forward to receiving your application.

*The Memphis Music Initiative (MMI) invests in youth, local communities and Memphis' musical legacy by broadening and strengthening existing music and arts engagement offerings in and out of schools and supporting youth-centered, community-based music programs. Our approach is three tiered. Through various unique interventions, MMI seeks to: 1) sustain existing in- school music engagement and expand instruction through partnerships with local musicians; 2) expand high-quality, out-of-school time school programs to reach more youth and remove barriers to youth engagement and participation; 3) support organizations that are providing music engagement enhance their sustainability and scale high quality programming.*

*One of those direct programs is MMI Works. MMI Works creates paid summer opportunities for youth to work at music and arts organizations and equitable access to career training and professional/personal development. We employed 50 youth in 20 organizations in 2018, totaling over 32,000 hours of youth work and professional development since our 2016 pilot. Our professional/personal development series covers activities that teach youth life skills and critical problem solving, gives them the chance to continue to uncover their inherent self-worth, and supports them from where they are to where they want to be. We also have externship opportunities for graduating seniors; this year, four students worked abroad at the Walled City Music Festival in Derry Ireland for two weeks during the summer.*

*Find out more about MMI at <http://memphismusicinitiative.org>.*
